

# The Danger of Pneumonia

## How You Can Avoid It

When you have a cold and neglect it you are in great danger of pneumonia. The danger is not in the cold itself, but in the food elements in Father John's Medicine which drive out impurities. Father John's Medicine soothes and heals the lining of the breathing passages. You are safe when you take Father John's Medicine because it is guaranteed free from alcohol or dangerous drugs in any form. Sixty-five years in use.

# THREATENED RESCUE MADE AT WILLIMANTIC FIRE

**Williamatic, Jan. 31.—A fire that broke out shortly after 5 o'clock this afternoon in the cellar of the four-story frame house on North street for a time threatened a rescue made by the fire department.**

## The house contained the office of Dr.

Laura H. Hills, owner, and seven tenants, all occupied. The fire had gained considerable headway in the cellar and smoke began to pour into the rooms of the house through the ventilators of rooms in the house, filling the entire structure with a dense smoke, making it impossible for all the occupants to escape from the house.

## On the fourth floor, where the fire

started were Morton Baker, George Orrok and Hannah Sullivan, housekeeper for the Bakers. The young men saw the fire and rushed to the fire alarm box and called to Miss Sullivan to make her escape. All three started down the stairs, but Miss Sullivan suddenly returned to the apartment, the two boys making their way safely to the street. When Miss Sullivan returned to the apartment, she found the way to safety cut off. Throwing open a window in the fourth floor, she shouted for aid. The fire was considerable in getting the extension ladder to the window, a series of misadventures nearly caused Miss Sullivan serious injury. When the ladder finally was put up it was several feet short but this failed to stop "Mike" Phillips who ran up the ladder and shoved it to the window. The fire was now in the window and the firemen were on the scene. The fire was now in the window and the firemen were on the scene. The fire was now in the window and the firemen were on the scene.

## The firemen soon had several streams

of water playing on the blaze, flooding out the fire in the cellar. The cold air from the fire, acting as a fire elevator, had this time the fire coming to all parts of the house and the firemen slowly drove it back till it was confined to the fourth story and attic.

# FORMER NORWICH WOMAN STRANGLED IN NEW YORK

**Mrs. Yvonne Tattoum, 23, a negroes formerly residing in Norwich, was strangled to death in her room at 115 Seventh avenue, New York, on Friday.**

## Edward McKinley Jones, 27, a former

resident of New London, was arrested and charged with the murder. Jones was found by the police in a Harlem hospital where he had been taken Friday morning after his landlady had found him unconscious in his room at 115 Seventh avenue.

## Further information secured was that

the man from whom the watch had been stolen had bought liquor at two places during the evening, which he said was the home of Adolf Burckoff at 115 Thames street and the small store of Paul Prins at 42 Thames street. Both men were arrested on warrants served by Officer Dombrowski. Morgan and P. Murphy. At Burckoff's home, Officer Dombrowski picked up a quart bottle, partly filled with the liquor of the moonshine variety, according to the police.
